A delightful home with generous proportions in a quiet Cul De Sac street. This is one of the best locations in Moss Vale. Formal lounge room, formal dining room, family room and a rumpus room opening to the covered and paved entertaining deck and private rear garden. All with picture windows of the surrounding grounds. Its a welcoming design with the flow of the floor plan accommodating family gatherings as well as private areas allowing separation when desired. There are four bedrooms comprising master with ensuite and walk in robe. The second, third and fourth bedrooms have built ins and are in a separate wing with the main bathroom. There's a lovely country kitchen with Caesarstone benchtops, island bench and pantry. A laundry with side access, large study and double garage with dual electric doors complete the internals of the home. The grounds are so inviting with mature trees and hedging, sprawling lawns and a gorgeous array of colour beaming from the flowered garden beds. The property is elevated from the street which has a laneway access to Corbett Walkway and it's only a stones throw to Dengate Crescent Park. A few minutes walk to the hub of Moss Vale township and around 1.5 hours to Sydney. Inspections are by appointment and/or scheduled open homes.
