A charming single level brick home right in the heart of Kingston. Built in 1993 and located within walking distance to most services, Schools & Shops. Comprising 2 bedrooms and 2 separate living spaces. The main living area includes ample space for dining. The kitchen is well designed with plenty of storage and a walk-in pantry. The main bedroom is extra large with built-in robes and access to a 2-way bathroom. There is also a second toilet and vanity off sunroom. Built on an almost level block (561sqm approx) at the end of a quiet cul-de-sac. The home is North-East facing and captures sun all year round. There is a single carport and driveway for additional cars
