A stone's throw from the area's vibrant cafes and culture, the impressive home with soaring ceilings, wide central hall and oversized rooms serves as an oasis of calm. Offering flexibility, it features four spacious bedrooms, the main with a luxurious ensuite and built in robes, updated bathroom/laundry, well-appointed separate kitchen, living room and dining area overlooking the large established garden with remote garage easily accessed via the rear right of way (ROW). Beautifully presented it includes split system heating and cooling, storage, and additional off-street parking within the front setback. An exceptional location close to trams, trains, bike paths, shops and cafes, Psarakos Market, and schools (zoned to Northcote High School and Northcote Primary School).
