Welcome to a unique opportunity to own a spacious and character-filled family home with exceptional development and renovation potential STCA. Nestled in a peaceful and highly sought-after neighborhood, this property boasts a unique blend of character, space, and development opportunities. With a generous floor plan and a prime location, this home is perfect for growing families and creative renovators. Upon entering, you'll be captivated by the spacious and well-maintained interior, which exudes warmth and charm. The open living zone features a grand brick fireplace, creating a cozy atmosphere that's perfect for relaxation and family gatherings. The large kitchen and dining area provide a central hub for meal preparation and entertainment. With ample counter space and storage, this space is perfect for hosting dinner parties, family celebrations, or casual weeknight dinners. The four bedrooms are generously sized, and there's potential to convert an additional fifth bedroom, offering flexibility to accommodate your family's needs. Two bathrooms add to the convenience of everyday living. Car enthusiasts and hobbyists will appreciate the double garage with an adjoining workshop and storage room, providing ample space for all your projects and storage needs. Additionally, there is another separate garage and a double carport accessible via a second driveway, offering plenty of covered parking options. The property's standout feature is the outdoor space, which includes a pool, perfect for hot summer days and outdoor entertainment. In its current original condition, this home presents a canvas for your creative vision. The vast potential for development or renovation (STCA) allows you to customize the property to your specifications and create the home of your dreams.
