Price On Application

This elegant, light filled designer home perched high and overlooking the rolling Milton countryside exudes opulence. No expense has been spared from its luxurious fit out and spacious design providing an abundance of natural light to the double hung and louvre windows to capture those cooling summer breezes. Enjoy the cooler, winter evenings relaxing in front of the fireplace with family and friends. The open plan kitchen, dining and living open out to the sunny eastern deck for entertaining in the warmer weather. The kitchen is meticulously appointed with Caesarstone benchtops, SMEG gas cooktop and electric stove, plus a huge walk in pantry. The spacious home offers a separate family room opening to a north facing al fresco deck, leading down to the garden and fire pit for those casual family occasions. The sumptuous, private master wing incorporates a huge walk in wardrobe, luxuriously appointed ensuite and balcony to enjoy a private morning cuppa. An additional three bedrooms upstairs, office and study area provide plenty of room for everyone to get away and enjoy some personal space. The downstairs bedroom is perfect for a teenager or guests. The double and single lock up garages will easily accommodate all your cars, boat, van and toys, with the added convenience of toilet, vanity and shower. This is a rare opportunity to purchase a stunning home in a quiet cul de sac with some of the best cafes, bars and restaurants this charming town has to offer just a leisurely stroll or short drive away. Call me to book your private inspection. We love: * Sweeping north and east facing views * Grand Hampton style home built by Master Builder * Two entertaining decks * Huge master suite with own deck * Cathedral ceiling in Lounge * Rinnai Gas fireplace * Luxurious finishes throughout * Multi zone air-conditioning and fans * 6.6 kva. Solar Power (back to the grid) * Ample off street parking * Shops, schools and medical facilities close by.
