This historically significant home and surrounding gardens were designed by internationally renowned architect, Harry Norris c1930's (of Burnham Beeches fame).The 'Great Gatsbyish' Moonya exudes lavish character and has its own two private lily covered lakes (reminiscent of a Monet painting), streams and waterfall on the property.Beyond the sweeping curves of Moonya's alluring facade is the five-bedroom house which has retained hallmarks of '30s glamour with parquet floors, high ceilings, expansive recessed windows and a vast terrace with original imported European tiles. It is poised to take guests back in time..Moonya Estate is located in a very quiet area. The peace and tranquility of our neighbours and respecting our local community is absolutely paramount.The house is double brick with double glazed windows. All the rooms have hydronic heating. It truly cannot be surpassed in terms of comfort in the Hills (cool in Summer and toasty in Winter).Moonya has all the modern amenities & open airy living spaces for you to enjoy
