Situated in the sought-after community of Beaconsfield Upper, this property offers the perfect balance of tranquility and convenience. Only 400m to the local primary school, a short stroll to the village shops and just 10 minutes to Berwick & Beaconsfield making it the ideal semi-rural retreat. Designed for both entertaining and comfortable family living, boasting a Hamptons-inspired kitchen featuring stone benches, integrated Miele dishwasher, Smeg oven and induction cooktop, upgraded bathrooms, and an inviting swimming pool- beautifully set amongst simply stunning, private gardens and lawns. This property really has so much to offer for the family wanting more space in this incredible location. The flexible floorplan encompasses multiple living spaces – giving you plenty of options to configure to suit, with four bedrooms, including a master with ensuite. Step outside to the expansive alfresco area, where you'll be greeted by the allure of a self-cleaning swimming pool, completing the perfect setting for relaxation and family entertainment. Further complimented by a double garage and workshop and plenty of scope to further improve or enhance to suit your own requirements. This property provides perfect blend of elegance, convenience, and spacious living in a truly unique setting!
