This vacant block has become available in the tranquil location of The Leeuwin at Witchcliffe. Lomandra Way encompasses a new way of living, with the spacious, eco-conscious lot being the perfect piece of vacant land to build your dream home. Surrounded by the natural beauty of the Margaret River Region, the eco-friendly subdivision has been designed to provide a unique and sustainable living experience, co-existing with the natural charm of the South West and Margaret River Region. With prime access to the neighbouring open space parkland, the 2000 sqm metre block features underground power. The Leeuwin epitomises the true Southwest lifestyle: close proximity to beaches, surf, wine, great food, and the opportunity to live a relaxing, healthy and sustainable lifestyle. With only a 5-minute drive into Witchcliffe town centre and 12 minutes into Margaret River, take advantage of this opportunity to own a piece of the Margaret River Region. For more information on this beautiful block, please contact Paul Manners, the Southwest Property Specialist.
