A real surprise, this very generous family home has been extensively renovated throughout to now include entrance hallway that leads to huge open plan kitchen living dining room. Every convenience in the top quality kitchen, master bedroom with full ensuite and walk in robe. Three other bedrooms all with robes together with second family/living area that leads out to private courtyard. Ducted heating throughout and split system air conditioning in living, lots of ceiling fans as well. Single carport together with ample driveway off street parking and a very sizeable front garden for the kids to run. Brilliant located so close to schools and transport.
