Positioned on a quiet established street in Shepparton's north, this three bedroom and two living areas home is bursting at the seams with character and charm. The country feel of the home is apparent from the moment you lay eyes on it. Cottage style gardens, wide verandah and brick paved driveway sets the tone throughout the property. All three bedrooms offer a spacious layout and feature ceiling fans and new carpet. The bathroom is ideal for a family with a bath, shower, vanity and separate toilet and the laundry offers plenty of storage. The open plan living at the rear of the home incorporates an original kitchen with gas cooker and timber bench top, meals area and family room while the formal lounge room is the perfect setting for a cosy winter night in front of the wood fire. Heating and cooling is well taken care of with ceiling fans, gas wall heating and R/C split systems to the main bedroom and living area at the rear of the home. A large decked alfresco area off the family room that can be utilised all year round and features a wood heater and downlights. It overlooks a gorgeous backyard with beautiful gardens with automatic sprinklers, a small garden shed with concrete and power, vegetable garden beds and a chicken coup.
