Best Offer Over \$485,000

Situated in a beautiful location and boasting amazing views of Bruny Island and the Dover Bay, this delightful home combines itself with convenience from the town centre and only metres from the beach. Entering through the covered terrace area, you will find yourself in the kitchen which features plenty of storage space and expansive windows, capturing panoramic views of Port Esperance. The living and dining area is kept nice and cosy with a wood heater and with the added bonus of having a reverse cycle air conditioner as another option. Looking out through the windows simply provides stunning water views and the beautiful established gardens complement the whole property. The main bedroom provides a generous size featuring a built-in robe and capturing gorgeous views of the Dover Bay, while the other two bedrooms are a standard size with one featuring a built-in wardrobe. The main bathroom has recently been renovated which is very generous in size and features all the modern touches in a separate bath, shower and vanity. The house is protected by exterior weatherboard wall cladding thus preserving the original exterior weatherboards and adding extra insulation for heating and cooling benefits. Outside of the property also includes a double carport, one featuring high clearance, ideal for boats or big vehicles and a large shed that is currently being used as a workshop and storage area. There is also a covered attached entertainment area to the rear of the home, which is a great space to entertain for a summer BBQ with family and friends. Dover is a stunning location with some of the most pristine beaches far South Tasmania has to offer, excellent for fishing and sheltered waterways for sailing as well as providing you with all your everyday needs such as a medical centre, supermarket, bank, post office, cafes and a school. This is a rare and great opportunity to secure a home for a seaside retirement or for a growing family in the Huon Valley. Rates \$1,500 approx pa
