(Please see our television quality video and 3d tour to really get a sense of what living in this house is really like)! Mount Louisa is becoming ever more popular for it's proximity to all the best that Townsville has to offer. You'll love having your morning coffee on the front verandah where you can enjoy cool breezes and views of Mount Louisa. This classic high-set home has a large living area cooled by split system air conditioning and lots of windows to let in the natural light. The kitchen features plenty of storage and bench space to make prepping dinner a breeze. All three of the bedrooms upstairs feature built in wardrobes and air conditioning to keep the whole family cool year round. The upstairs bathroom has a shower and tub for the kids. A family home wouldn't be complete without a pool and this one has a beautiful sparkling magnesium pool that the whole family will enjoy. Underneath the home would make a perfect teenagers retreat or space for an older relative. It has direct access from the pool and features a modern bathroom and an additional room with split system air conditioning. 9 Mount Louisa Drive is located on a 607m² block. It's just down the road from the Mount Louisa walking track and Crestbrook Plaza which has an IGA and other speciality stores. Major shopping at Domain Central is a 3 minute drive and 12 minutes away is the Townsville CBD and The Strand which is perfect for your Sunday morning walk. Be Quick! Mount Louisa properties are so hot right now!
