Step inside and let the peaceful sentiment that this home gives wash over you, instantly unwinding. Warm but spacious this split level home features a unique layout that can accommodate a variety of needs. Upstairs, light cascades through the gorgeous bi-fold doors adorning the entire open plan layout. The kitchen is well appointed and generously sized complete with a breakfast bar, great storage and allows to still be a part of the conversation while meal prepping. This level also has two bedrooms with the main featuring a walk-in robe as well as a spacious bathroom showcasing a bathtub which has a relaxing view of the gardens plus a walk-in shower. Daydream the hours away on the beautifully spacious deck spanning 2 sides of the home and overlooking the serene gardens full of native trees, fruit trees & plants. An internal staircase leads you down to the remaining 2 bedrooms, another bathroom, laundry and secondary living area. This space is ideal for wanting space & privacy from the upper level and also provides a peaceful place to sit and relax from the patio. Set on approx. 1.2 acres this property offers an abundance of privacy with state forest as your back neighbour and plenty of gardens & trees attracting wildlife.
