AUCTION UPDATE - 9th December 11:00am There's plenty of character here at this blonde brick veneer in a lovely court position overlooking The Ranges. Set amid beautiful floral gardens on a flat 814sqms (approx.) with no big trees, there's scope to build a dream home (STCA) at the foothills close to parkland, sporting facilities and shopping at Boronia Mall, Mountain Gate and Westfield Knox. Freshly polished hardwood floors, big picture windows and decorative steel verandahs enhance the vintage mood of the sweet 3-bedroom retreat. Beautifully bright inside, it's an inviting setting ideally suited to first home buyers and investors. A huge, grassed back yard gives you room for cricket and weekend BBQs, with a gated driveway leading to a big lock up garage. Blocks this big in a court with mountain views don't come to market every day, especially those close to Dobson Park, the Ferntree Gully's spectacular arboretums and the walking/cycling track along the Blind Creek Trail which tracks all the way to Westfield Knox.
