We at 1st Coast Real Estate are excited to introduce to buyers this 4 bedroom, 2 bathroom, 2 car garage property. This warm and inviting home has many wonderful features and benefits that buyers will be delighted with when they inspect. The tones and fixtures throughout this home bring it within today's modern décor standards. It is the little extra touches and details that make this property a home! Starting the journey through this property is the theatre room, closed in by exquisite french doors. The master bedroom is spacious and includes a ceiling fan and walk in robe. The ensuite offers a shower with glass door, vanity, ceiling to floor tiling, heated towel rail and WC. A small study room will accommodate all your office/computer supplies. The open plan design consists of kitchen, dining and family room. This definitely has the wow factor when you walk into this space! The kitchen provides a Belling Induction oven and Range hood, dishwasher and there are ample cupboards for storage. The lighting fixtures and large stone bench top are without a doubt a standout show piece in this kitchen! The open plan area is warmed and cooled by a split system air conditioner, there are 2 ceiling fans and a wood slow combustion heater. Bedrooms 2 & 4 include wardrobe recesses and bedroom 3 a built-in robe. The main bathroom provides a bit of luxury with an exquisite claw foot bath. A shower with glass door, vanity, and WC. The laundry room provides overhead cupboards, stone bench top, plus linen cupboard. Both front and backyard are beautifully presented. Reticulation is provided and the front yard particularly being easy care with the glorious cactus garden! Entertaining will be enjoyable with family and friends under the 2 patios, both protected from all-weather elements. The below ground pool is a wonderful summer feature, and the solar panels are a brilliant addition to help with electricity costs! WE LOOK FORWARD TO SHOWING YOU THIS GORGEOUS HOME!
