The perfect answer for local residents downsizing without compromising location, or first foray into this coveted riverside suburb, this immaculate rear home is the one you've been waiting for. Single level, with no stairs anywhere in the property, it has recently undergone modern renovations and presents beautifully. Step into the open-plan lounge room and study area, flooded with natural light through the large bay window. Find brand-new engineered timber floorboards throughout the living and traffic areas, plenty of storage and ducted reverse-cycle air conditioning for everyday convenience and comfort. This fantastic three-bedroom home will tick all your boxes if you love entertaining. The generous kitchen boasts ample bench and cupboard space, Miele cooking appliances and a dishwasher, and when you'd prefer to be outdoors, the terracotta-tiled alfresco awaits via glass sliding doors, where you'll enjoy a pleasant outlook over the easy-care, leafy courtyard garden. The home's accommodation starts with the main bedroom suite, bathed in light and boasting a renovated private ensuite, complete with a floating vanity, full-height tiling and a frameless shower. Bedrooms two and three also offer built-in robes and a contemporary, similarly appointed bathroom with a bathtub and separate WC. Low maintenance appeal and accessibility aside, the icing on the cake is the superb location, moments from Dalkeith Primary School and the Dalkeith Village shopping and cafe precinct, complete with a Tucker Fresh IGA, medical centre, pharmacy, post office and news agency. Venture slightly further and enjoy the ultimate retail therapy at Claremont Quarter, along with Coles and an array of dining options. Bus transport is metres from your front door, and riverside parklands and walking trails are moments away.
