Masterfully constructed to the highest standard is this premium coastal retreat effortlessly blending luxurious modern finishes with timeless design. With an impressive street presence amidst a beautifully landscaped garden, an easy stroll from the village, National Park, back beach and foreshore, this dual level beauty sets the bar high for decadent, coastal living. Designed with light, space and functionality in mind, the substantial home presents a well-conceived layout with high ceilings, timber floors and extensive glazing linking the interior with the leafy outdoors. Multiple living zones including an expansive, sheltered alfresco deck complete with café blinds and gas log fire at the heart of the home, lounge on each floor, sun-drenched front terrace and open plan chef's kitchen and dining, provide the ultimate for entertaining and relaxation. Four generous bedrooms including two with ensuites and one with balcony, powder room, luxe family bathroom and home office comfortably accommodate large families and guests. Extras: ducted heating/cooling, stone benchtops, lower lounge gas log fire with limestone surrounds, large outdoor jacuzzi, garden shed, lush rear lawn and double lock-up garage.
