The wind in the trees, the sun on your face, the kookaburra's song in the background. This is a tree change opportunity that places you directly in the forest, in the land of waterholes and kangaroos. What's more, there's an amazing luxury home to enjoy it all from! This sprawling piece of fine Australian land sits at the end of an unpaved road, surrounded by nature. The low-set property subtly blends into the surrounds, perfectly at home in the bush. As you will be! Indoors, the property has been maintained to an immaculate standard of aesthetics and functionality. The open plan living, dining and kitchen area is the heart of home, where warm wooden floors, a standalone fireplace and lush views out the window make you feel at home instantly. The meals area sits astride the gourmet kitchen, which comes with a breakfast bench and plenty of workspace and cabinetry. Split system aircon in the dining ensures comfort all year round, as do multiple ceiling fans. Sliding glass doors lead out to the full-length verandah, an iconic decked space from where the rural vistas can be truly appreciated. This is a place for entertaining or relaxing, for family barbeques or quiet moments appreciating the serenity. There are four generous bedrooms inside, two with built-in robes. The master has a massive walk-in robe, as well as a full size ensuite bathroom with spa bath, separate shower, vanity and toilet. This is a standout feature of the home – and that's saying something! A second bathroom services the rest of the home, and there's a large internal laundry too, with access to a third toilet. This is a property you really need to experience yourself. We'd love to show you around, so please get in touch with the JKL team today.
