Turn the key, step inside and put your feet up, because at 9 Old Wedderburn Road, all the hard work has been done for you. Blending contemporary elements with the property's original charm, "Eucalypt Cottage" sits proudly overlooking its 13 acres approx. Inside you will find a tastefully renovated family home with custom joinery kitchen, living area, mud room, laundry and 3 bedrooms. All supported by split system units and wood heater. Windows in all rooms showcase the serenity of the surrounding space outside where there is plenty to explore. The expansive verandah, which overlooks the lower paddock, provides the perfect spot to sip your morning coffee while you take in the birdsong and native wildlife. For practicality, the ample shedding provides storage and space for caravans, boats, bikes, and everything in between. Within minutes to town, come and explore a property that offers versatility and lifestyle. Contact agent to book your inspection.
