Nestled in a tranquil and sought-after northern escarpment location on 9 Onkara Street, Buderim, QLD, this stunning four-bedroom house presents a unique opportunity for families seeking both serenity and convenience. Spread across a generous 713 square metre allotment, this one-owner, much-loved family home has been meticulously crafted with a passive solar design, ensuring a comfortable living environment throughout the seasons. As you step inside, you're greeted by an airy ambiance, accentuated by the cathedral ceilings with exposed Oregon beams and lime-washed lining. Victorian Ash floors sweep throughout the home, leading to a myriad of spaces, including two expansive work-from-home zones which also double as additional bedrooms and ample storage solutions. Each of the four spacious bedrooms offers a peaceful retreat, complemented by two well-appointed bathrooms. The double garage ensures secure parking for two vehicles. Outside, the western red cedar exterior harmonises with the surrounding landscape, and the saltwater pool promises endless family enjoyment. Views of the ocean and mountains add an element of natural splendour, while the home's proximity to Immanuel College, Buderim Mountain State School, and EJ Foote Sanctuary—just at the end of the street—further enhances its appeal. A short stroll to the bus stop connects you with the wider region, completing the picture of this idyllic family abode.
