Set in one of South West Rocks better locations, this really is a special property with views, extra accommodation and plenty of parking, a very rare combination. Being on the high side of the Street with a great outlook over Smoky Cape, Little Smoky, the golf course and beyond to Trial Bay this home is enormous. The upstairs area is absolutely gorgeous with a large living, family and lounge area that is just bathed in sunlight, a magnificent modern kitchen with the best of appliances, a great entertaining area, the whole top floor has an amazing outlook. The main bedroom and ensuite are spacious and modern, there are another 5 bedrooms plus a main bathroom. Downstairs could nearly be described as self contained with bedrooms and an auxiliary room that would suite the home based industry or professional and a garage workshop combination. The bathrooms are the best you will see, the laundry is great and the big surprise is the parking, a huge carport and still plenty of room for the visitors, boats or van. This definitely is a unique property that is great value
