With Cobden being the perfect place to raise your family this home should not be passed by. The kitchen features solid timber cabinetry with ample bench space and storage including a gas oven and cooktop, opening onto the dining room which makes for easy entertaining. Four bedrooms will ensure everyone has their own space, two of which have built-in robes. The external laundry and second toilet are located off this well-proportioned area. Vehicles are well catered for with a large (9m x 6m) double garage with dual roller doors and a double carport, plus the bonus and convenience of an asphalt driveway. The established gardens as mentioned are well maintained including many ornamental specimens that have been loved and cared for over many years.
