Type: House

\$300,000

Timber and iron mill town cottage built in the 1940's, this home has the charm of the bygone era. Situated on 1012m² block, the house features 3 bedrooms with a nicely remodeled kitchen which includes gas hotplates, electric oven, pantry plus reverse cycle air conditioner and meals area. The separate lounge features polished jarrah floorboards, slow combustion wall fire with jarrah mantle sill. Add to this there is an extra living area with the sunroom which leads into the main bathroom of the house. Under cover patio area, nice for outdoor entertaining. Gas hot water system. Separate shed/workshop. Elevated position with nice views. This home would make a nice holiday home or first home. Contact Trish Collins for more information and viewings on 0409 822 338.
