A stunning fusion of space and light and beautifully presented for sale, this perfectly positioned three-bedroom entertainer provides peace of mind and a high quality of life. Modern design excellence, located in the upmarket area of Highlands Estate and showcasing towering ceiling heights, large expanses of glass and sumptuous floor coverings, when it comes to the home's continuous-flow layout, natural lighting is in no short supply. Surrounding its occupants with textural finishes, warm tones, and exquisite contemporary colour schemes, the upscaled kitchen/living/dining zone feels incredibly relaxing and intimate. The gourmet kitchen showcases a dining island, smooth stone surfaces, clever cabinetry, striking pendant droplights, premium appliances plus a walk-in pantry. Sliding doors roll back to reveal a well-designed outdoor area that's an extension of the living and dining zones, providing extra space to entertain and relax. Perfectly positioned to soak-up the natural-look gardens, enjoy your morning coffee out here or a glass of wine with friends in the summer evening air. A bright and airy primary bedroom suite features a walk-in robe and a deluxe ensuite, while two additional bedrooms both come with built-in robes and share another ultra-modern bathroom. Other highlights and creature comforts include a pristine laundry, ducted gas heating, split-system air conditioning, ceiling fans in two bedrooms as well as a remote double garage with rear access via Wattletree Street. In a location of pure convenience, stroll to parkland, well-serviced bus routes, supermarkets, excellent schools and childcare centres. Infinitely stylish and surprisingly spacious, 9 Sandwood Place feels like home the moment you drive up to it.
