Modern home that's big on features>Welcome to this beautiful home nestled at the foothills of the scarp in Whitby. Offering a perfect blend of modern luxury and comfortable living, it is an ideal haven for a small family or downsizers.Through the wide entry door you will find the spacious master suite, featuring a large ensuite with a massive double shower, providing a touch of elegance with a modern edge. Step into the heart of the home, and you'll discover a stunning kitchen designed for both functionality and style. Boasting stone tops, 900mm appliances, double ovens and an abundance of storage, this kitchen is a culinary enthusiast's dream. A scullery adds an extra layer of convenience, ensuring that your kitchen remains an organised and inviting space.The open-plan living area seamlessly connects different spaces, creating an ideal atmosphere for family gatherings and entertaining. Two minor bedrooms provide comfortable spaces for family members or guests, while the family bathroom is designed with both practicality and aesthetics in mind. Zoned ducted reverse cycle air conditioning provides year round comfort and solar panels ensure energy savings. Slide open the stacker doors, and you'll find yourself in the outside alfresco area-a perfect spot for enjoying the fresh air and hosting gatherings. Beyond that, a large patio with double gate side access offers ample space for multiple cars, a boat, or caravan. The lawn area provides an enjoyable space for children and pets to play freely, and a garden shed adds a practical touch for storage needs.For more information on this fantastic property, contact Michelle Miles today on 0477 845 529.
