Revealing contemporary styling and a perfectionist's touch, this freshly renovated four bedroom, two bathroom residence is awash with breathtaking valley and garden views. On the corner of newly established Silver Leaf Court, a marvellously large 1266sqm approx. block provides an inspiring introduction to the luminous interiors. A crisp white palette and broad floorboards add outstanding ambience to the view-filled lounge with open fireplace. An open design, the central dining room extends in one direction to the sparkling stone kitchen with premium appliances and in the other direction to a picturesque family room, flowing out to a generous under-cover alfresco deck. Plush carpets lead the way to the peaceful bedrooms, accompanied by a stone dual-vanity bathroom and featuring a master bedroom with walk-in robe and elegant ensuite. Made exceptionally comfortable with ducted heating, evaporative cooling, a double auto garage, multiple spaces for work/recreation vehicles and ample off-street parking, there is nothing more to do to this outstanding abode. Just a few short steps from the primary school, enjoy the pleasant walk to the Warburton Rail Trail and vibrant Carriage Café. A beautiful township with a supermarket and water play park, be surrounded by world-class wineries and the finest fresh produce.
