Positioned in a quiet street in the very convenient Greenhills Estate, this very well presented three bedroom family home sits on a large block of 581m². The generous front lounge leads off to the master bedroom with a built-in robe and an ensuite bathroom. There are two further bedrooms with built-in robes and share their own full bathroom and separate toilet. The light filled kitchen-meals area with an adjoining family room or children's play area makes it ideal for a first home buyer or young family. Landscaped rear yard gives you a tranquil area to relax on the weekends, and there is easy access from the two car garage to the house via an internal door. This very neat house and is the "just move your furniture in" property. For your vehicles there is two car garage and access to the rear yard. The house is only a few minutes drive to the local schools, shops, medical centres and all the other town facilities. Wallan is one of the most popular areas in the northern corridor due to its established infrastructure, great country feel and the great access to Melbourne CBD via the V/Line train or the Hume Freeway.
