Nestled just a few meters away from the legendary 'Super trail,' this exquisite 2 bed chalet offers the ultimate ski-in, ski-out experience for avid winter enthusiasts. Imagine waking up to the fresh mountain air, strapping on your skis, and hitting the slopes with unparalleled ease. Step inside and embrace the warmth of underfloor heating that graces every corner of the property, ensuring a cozy and comfortable ambiance throughout. As the snowflakes gently fall outside, gather around the inviting gas fireplace to create cherished memories with friends and family. The property features a stylish and spacious kitchen with granite benchtops. The bathroom has been completely remodelled with quality finishes and inclusions and a stone top vanity with a designer black and white bone mirror. Indulge in the sheer delight of the spacious in slab heated deck, where you can unwind after a thrilling day on the mountains, while soaking in breathtaking timbered backdrop. Boasting an oversized lock-up garage you will have enough storage for not only the car but also all the summer and winter toys. If you don't want to take the short walk beside the Supertrail to the center of the village the winter shuttle bus stops at the door. Nestled within a prestigious and highly sought-after complex, Ski in Ski Out Chalet 9 offers the ultimate lifestyle getaway. Being sold as a walk-in walk-out opportunity ready to occupy.
