Designed and built to the highest of standards by one of the elite builders of Canberra, on one of the best locations of Throsby and positioned on a sizeable 450m² block, this property is ready to welcome its new owner. This stunning home is situated in one of the best neighbourhoods of Throsby, close to schools, a park with wetlands, beautiful walking & cycling tracks and much more to see and do daily to enjoy a modern lifestyle. This amazing four-bedroom home features a sunny aspect and boasts a separate lounge room at the front for comfortable gatherings among family and friends. The home features a 2.7-meter-high ceiling throughout the house, and it opens to a covered alfresco equipped with water and gas connection to enjoy the weekend barbecue with friends and family. The stunning kitchen is spacious with all modern comforts including a walk-in pantry, a large island bench and stainless-steel appliances for the home chef to cook healthy meals daily overlooking the kids playing around in the very spacious family area. The lifestyle benefits are further enhanced by the large backyard and easy access to the Gungahlin shopping centre and light rail. Buying a house is always one of the most important decisions of your life so make sure you are looking at this property before you finalize your next home as this is certainly one of the best Throsby has offered till date.
