If you've been dreaming of living in a brand-new home but want to avoid the dreaded delays and unexpected expenses of building; here is your opportunity to avoid all of that uncertainty and start living your dream lifestyle immediately! Built in 2022 by Turnbull Constructions; a renowned family owned builder recognised across the Redcliffe Peninsula for their high quality constructions and first class reputation spanning decades, this prestigious home absolutely must be seen in order to be appreciated. Downstairs the perfectly designed floor-plan seamlessly integrates the well-equipped kitchen with the impressive indoor & alfresco living, dining & entertaining areas. The separate laundry and powder room are inserted to maximise convenience. Stylish travertine floors line the outdoor entertainment space adding yet another touch of elegance to the ground floor of this impressive residence. The list of exciting inclusions expands as you head upstairs; where another huge living space sits aside a sizable study nook, which makes for an ideal home office space. All bedrooms feature security screens and built-in wardrobes. The master suite features plantation shutters as well as a generously sized walk-through wardrobe & en-suite. Ducted air-conditioning keeps the entire home cool in summer and warm in winter, with the temperature of each room able to be controlled with ease via your phone or tablet using the MyAir system. Further to this, 9 Sportsground Street sits within one of the Peninsula's most convenient locations just metres away from Redcliffe High School, Redcliffe Hospital, The Dolphins leagues club/shopping precinct, and just 1km from the beautiful sandy beaches alongside Redcliffe Parade's acclaimed restaurant/cafe precinct, which hosts the celebrated Redcliffe Markets each Sunday, as well as range of other exciting events throughout the year. With vacant land being so rare on the Peninsula and new homes remaining such a challenge to build in the current economic climate, this is an opportunity guaranteed to excite those with quality, value and convenience on their shopping list. Call today to find out how you can make it yours!
