Built around the 1920's this older style Three (2-3) bedroom home has some authentic touches. It encapsulate some fab features like an inground swimming pool and ducted air conditioning. This home has character both inside and out with its old fashion "Gun Barrel" hall way and old world touches. The main bedroom is set with a walk-in dressing room, as well as an office or nursery room. There is decorative " timber Fretwork" in the hallway which leads to a modern kitchen and tiled bathroom. The lounge rooms at the front of the home and there's closed in back and side verandah spaces. The concrete driveway down the sides gives good access to the back garage-Workshop. Anin-ground pool shows off in the back yard and there is a covered pool side entertainment area.
