Introducing a rare gem to the market for the very first time, this architecturally crafted property promises a unique living experience unmatched in Jervis Bay and its surroundings. With an abundance of windows framing picturesque gardens and tranquil landscapes, this home seamlessly merges indoor and outdoor living. Inside the main residence, discover a spacious layout boasting four bedrooms adorned with high ceilings and intricate woodwork, spanning across two wings of the house. Both the master wing and guest wing offer direct access to the backyard, providing idyllic retreats for relaxation and introspection. The open-plan kitchen, equipped with top-of-the-line appliances, seamlessly extends beyond its confines to a large alfresco area. Here, you'll find a fully functional outdoor kitchen complete with a sink, fridge, bar fridge, built-in BBQ, and ample storage space. This setup is a dream for those who love to entertain, offering endless possibilities for hosting gatherings and enjoying outdoor dining experiences. Additionally, a standalone Granny flat presents its own amenities, including a kitchen, bathroom, main bedroom, and two entertainment decks. Perfect for dual living arrangements, whether accommodating family members or hosting guests, it also presents a potential second income opportunity. Positioned on a beautiful 5,185 sqm (approx. 1.28 acres) block. With such unique features and undeniable appeal, this property is sure to be snapped up quickly. Don't miss out—schedule your private inspection today!
