Luxe, high-end living awaits here at 9 Stockman Drive, Bright, with this impeccably presented, custom designed & craftsman-built home. Premium in quality & specifically created to meet the needs of a low maintenance lifestyle, the home is aesthetically pleasing & incredibly functional for modern day living. Upon entering the home via its large hardwood feature door, you will be impressed in an instant, with American Hickory hardwood flooring throughout & a wide entrance hall that leads down to a stunning open plan living zone that spans the entire northern face of the home. This incredibly sleek space provides the 'wow factor' of the home with its Cathedral Ceiling, reclaimed red brick feature wall and cantilever concrete plinth that supports the French designed & made 'Cheminees Philippe' cast iron wood fireplace. The perfect spot to relax & unwind. Also incorporated in this space is a modern-industrial styled kitchen, complete with stone benches, gas cooktop & electric oven, a large butler's pantry plus a panoramic window splashback & servery to an outside breakfast bar. Central to this zone is a dining space that then flows through large sliding doors to an outdoor alfresco area, ideal for effortless year-round entertaining. This beautiful home also features 3 bedrooms, including an impressive master suite, complete with a substantial his & her walk-in robe with makeup/dressing bench and a stunning ensuite bathroom complete with floor to ceiling tiles, walk-in shower, custom hardwood joinery & twin stone basins, underfloor heating & an operable Velux skylight for a bright natural finish. Bedrooms 2 & 3 are both oversized & feature built-in robes, whilst being set off a cozy rumpus room with adjoining study nook. The home's main bathroom is also stunning and features a walk-in shower, free standing bath, custom hardwood joinery & floor to ceiling tiles. A large laundry includes ample storage space. Other features include double glazed windows with privacy & block out roller blinds throughout, ducted vacuum system, split system heating & cooling & a 6.6kw solar power system to help offset the energy costs. Sitting on an allotment of approx. 582m², with a fully enclosed yard & easy-care garden, double carport under roofline & an adjoining workshop & storage space. Set in a private court, the location of the property is both private and convenient, with Bright's Town Centre within 2km and accessed via the nearby Rail Trail.
