A gloriously modern and spacious home, 9 Tancred Street is the luxury living your family has been seeking. Secluded in a quiet North Orange street, the house boasts five bedrooms, including a master which is resort-like in its features: his-and-hers walk-in wardrobes and a sumptuous en suite with tiles to the ceiling. There's also a massive, functional kitchen, both full size ovens are pyrolytic with microwave and added steam function, butler's pantry and island benchtop. It opens out onto one of three internal living areas: an open-plan living and dining, a rumpus room for the kids to hide (or be hidden) and a formal lounge room. The high-end stylish touches throughout the house are what truly set it apart, including high ceilings, bespoke cornices, Spotted Gum timber floorings and plantation shutters. The 700-square-metre block is fully landscaped, is stocked with gardens and hedges for privacy, and is accessible for vehicles. Convenient to North Orange Shopping Centre, Waratahs and the Orange Botanic Gardens, this is the perfect opportunity to take your family's comfort to the kind of levels you may have only dreamed of.
