Introducing the perfect dream home that combines elegance, functionality, and modern conveniences. Nestled in a desirable neighborhood, this remarkable house boasts an array of features designed to enhance your living experience. As you step inside, the first thing that will captivate you is the high ceilings that gracefully extend above, creating an atmosphere of grandeur and spaciousness. The heart of this home is its U-shaped kitchen, adorned with sleek countertops and equipped with a 900mm free-standing appliance, ready to bring out the inner chef in you. The centerpiece of the kitchen is a stylish island, complete with a dishwasher, making meal preparation and clean-up a breeze. In this abode, storage is abundant, ensuring that everything has its place. From built-in cabinetry to ample closets, you will have no trouble organizing your belongings and keeping your living spaces clutter-free. The master bedroom, thoughtfully placed at the back of the house, offers tranquility and privacy. Retreat to your own personal oasis, complete with a walk-in robe for your wardrobe essentials. The ensuite bathroom is a haven of relaxation, featuring a double vanity that adds a touch of luxury to your morning routine. Additional guest bedrooms are equipped with built-in robes and sliding doors, offering your visitors both comfort and convenience during their stay. They will feel right at home with their own designated space. No matter the season, you will always find comfort in this home. Ducted heating throughout ensures warmth during cooler months, while evaporative cooling keeps the air fresh and cool on hot summer days. Step outside and discover the roofed alfresco area, a perfect spot for outdoor entertaining and gatherings, regardless of the weather. Adorned with artificial grass, the low-maintenance backyard is a sanctuary for relaxation and play, allowing you to spend more time enjoying rather than maintaining the outdoor space. Embracing modern technology, this home is NBN connected, offering high-speed internet access to keep you connected to the world. The convenience continues with a remote-controlled double garage, providing effortless access and secure parking for your vehicles. Indulge in luxury and comfort with the master bathroom, featuring a sparkling tub where you can unwind after a long day. The epitome of relaxation awaits you in this elegant space. In summary, this exceptional residence combines the finest features and modern amenities to create a truly remarkable home. With its high ceilings, U-shaped kitchen with a 900mm free-standing appliance, ample storage, master bedroom at the back, ducted heating, evaporative cooling, guest bedrooms with built-in robes, a roofed alfresco area, a master bedroom with a walk-in robe and ensuite with a double vanity, a master bathroom with a sparkling tub, an artificial grass low-maintenance backyard, NBN connectivity, and a remote-controlled double garage, this house is the epitome of luxurious living.
