Welcome to the place you will call home, nestled on over 1300sqm, this remarkable 3 bedroom, 2 bathroom home is the epitome of space and tranquillity. Master bedroom with walk in robe and ensuite and main bathroom with large freestanding bath that will allow you to soak away the day. This property offers everything one could desire from a dream home, from its unique internal designs with newly renovated kitchen with Caesar stone bench tops and feature blackbut flooring out to its expansive yards with water feature, outside shower and tastefully planted gardens to provide privacy and serenity whilst taking in all your new property offers. Your new home covers you for all seasons with ducted A/C and combustion fire place inside and outside a large covered entertaining deck with a breakfast bar overlooking a sparkling pool. This oasis invites residents to bask in the sun, host gatherings and create lasting memories with loved ones. The property includes full side access with concrete driveway through to the 4 car garage with workshop and attached office with separate power to the main home. Plenty of space for all the toys, or possibly future use with dual occupancy (STCA), allowing accommodation for all the extended family or living space for the teenagers. Located in a quiet cul-de-sac street, and close to the waters edge, walking trails and local shops. If you have been looking for your dream home, look no further, it has been found.
