In the family friendly Domain Estate, you get one of the biggest dwellings in the entire complex. This home includes three bedrooms on the top floor, two bathrooms, three toilets, multiple living areas, a spacious alfresco with paved courtyard plus a double remote lock up garage. It's light filled, immaculately maintained, is ready to host any sized family celebration and today is the day you can start your own memories here. Head into the estate and feel that sense of serenity. Looking out from your porch and double lock up garage is a central communal grass island, perfect for kids and pets as an extra spot to play. Head in securely via the garage and enjoy the surrounds. The first stop is the front living room which could easily turn into a formal dining area. Down the hallway is a laundry with powder room and opening at the rear is where you can unwind or comfortably entertain. Here is the open kitchen with a plethora of storage space, a 5-burner cooktop, stainless steel oven and breakfast bench which looks over the living room. Flow outside with ease and find the undercover entertaining area and paved courtyard where you can relax all year long. Upstairs has more that you'll love including the three bedrooms, two with built in robes, the master with a large WIR and ensuite plus there is also a central family bathroom. Extras include ducted heating, evaporative cooling, ducted vacuum, under the stair storage, ample parking, an alarm plus more.
