Meticulously designed and bathed in natural light, this contemporary home offers ample space for a family to thrive and flourish. Featuring cathedral ceilings in the expansive, light-filled open-plan living area, a dedicated theatre room, and four generously sized bedrooms, this residence is thoughtfully crafted for modern living. The central, well-appointed kitchen caters to all your storage needs, ensuring a seamless blend of functionality and style. Nestled in a sought-after area within a tranquil street setting, the backyard provides an ideal space for children and pets, complete with a newly added swimming pool—a home not to be overlooked.

- Multiple internal living areas with separate theatre room or activity room
- Fully air conditioned with ceiling fans and security screens throughout
- Open plan kitchen includes central island bench, and quality appliances
- Sizeable bathroom with separate shower and bathtub, ideal for the kids
- Expansive master bedroom with walk in robe and ensuite
- Convenient study nook for added functionality, within the family room
- The kitchen and dining overlook the large undercover rear entertaining patio
- 592sqm block, fully fenced, ideal for children and pets to play
- Unwind in the inviting saltwater pool, a perfect oasis for relaxation and leisure
- Garage is extra wide to suit large cars, plus internal laundry area
- Embrace sustainable living with solar panels generating 5.5kW
- North facing, quality built family home by AP Williams
- Surrounded by quality homes in a family friendly pocket in Idalia
- Quick access to the Townsville University Hospital and the University
- Walking distance to schools, shops and all amenities for easy convenience
- Ready to occupy immediately, private and peaceful lifestyle opportunity
- Close to walking/bike tracks around the picturesque lakes and river
- Minutes to the CBD, boutique shops, cafes and sporting activities
