\$610,000 - \$630,000

This three-level beautiful home offers outstanding views and convenience, only minutes' walk away from the Williams Landing Shopping Centre and Train Station. This comfortable and conveniently placed property could act both as your affordable first home or a high-growth investment, with depreciation in a booming rent lifestyle area. This quality home built with following stunning features: Ground floor: landscaped front garden, private entry, bedroom with BIR's and ensuite, laundry, remote double garage with internal access. Second floor - Modern kitchen with stainless steel appliances including Dishwasher and Microwave, stone bench tops, open-plan kitchen to spacious dining area and living area with bright porcelain tiles, large terrace, and balcony with outstanding and relaxing views of Williams Landing Town Centre, parks, and wetlands. Third floor - two generous bedrooms with BIR's and a shared family bathroom. Additional features include a double remote garage, high ceilings, low-maintenance front garden, room heaters and three Split-Cycle Air Conditioners to bedrooms and living.
