New to Market

Introducing an exceptional property that can only be described as extraordinary, meticulously maintained and cherished by a family over the past three decades. This remarkable home stands out from the rest and is certain to capture your heart upon first glance. Designed with practicality in mind and constructed to withstand the test of time, this four-bedroom, one-bathroom home requires no further introduction. The high ceilings throughout are an incredible feature, creating a sense of grandeur and tranquillity. In particular, the kitchen/living area boasts a remarkable raked ceiling, reaching an impressive height of 6 meters, allowing you to feel grounded and at peace during every meal. The kitchen itself is a chef's dream, inspiring culinary greatness. Each of the four bedrooms is generously sized and includes built-in wardrobes. The bathroom, which also serves as a laundry, offers ample space. The freshly painted interior creates a clean and inviting atmosphere. Additional features of this exceptional home include a split system air conditioning, storage space extending across the ceiling, a spacious and highly sought-after outdoor entertainment area, and a wrap-around verandah. In addition to a single garage, there is ample off-street parking available.
