Price Guide: \$1,200,000 - \$1,300,000 As you pass the mature liquid amber and oak trees become seduced by this character home in beautiful Basket Range. With historic charm overlooking picturesque valley views, set upon a very manageable 2.5Ha, this is the Adelaide Hills lifestyle property you've been searching for. Originally built in approximately 1910 and tastefully extended in 1983 the welcoming home will capture your imagination. High ceilings, exposed sandstone feature walls, spacious rooms and garden outlooks create a calming and secure environment for the whole family to enjoy. With 4 bedrooms, 2 living spaces, dining, cellar, main bathroom and ensuite there is plenty of room to enjoy each other's company or retire to your own space for quiet reflection. Step outside to enjoy the delightful garden surrounds, feed the chooks or venture up to the orchard which includes a wide variety of productive trees. Apple, pear, plum, cherry, avocado, olive, chestnut, peach, nectarine, walnut, mulberry and citrus are just the start of what's on offer. Alongside the orchard is a vacant paddock (5300sqm approx.) which could be fenced for stock or prepared to cultivate further produce of choice. There's approximately 17000g rainwater storage, 3000g firewater and a recently drilled but unequipped bore. Basket Range is approximately 15 minutes to Magill or Burnside. The welcoming community enjoys the fresh air and fantastic local produce from premium apples and cherries to quality bread and world-renowned wine. So do the children need space to roam? Or do you desire the relaxed Adelaide Hills lifestyle? Whatever it may be this property is sure to appeal to the market both now and into the future.
