Five acres of space and privacy. A beautiful leafy green outlook. The refreshing Bellinger River is nearby, with some of Bellingen's best swimming holes. So close to the beautiful town of Bellingen. Let's do the tour; Enter the home through the courtyard, ideal for outdoor dining or to catch the winter warmth. The kitchen, dining room and lounge all flow through to the fabulous deck, taking in the majestic trees and abundant bird life. A perfect entertaining area. The master bedroom with its own en suite and walk-in robe is at the southern end of the home, providing the perfect parents' retreat. At the northern end of the property are two bedrooms and the main bathroom. This is the complete Bellingen package.
