Elevated position, Magnificent view, Space & storage, Modern quality finish and one of the best sunrooms / enclosed verandahs in Tenterfield, this property ticks a lot of boxes. Comprising an ultra-modern and very attractive electric kitchen with large walk-in pantry, dishwasher and breakfast Island which overlooks the generous lounge / dining with wood heating and r/c air and naturally heated by the magnificent fully glassed side and front verandah, 2 bedrooms with plenty of wardrobe space, bathroom and large laundry. Built for comfort and easy living the list of extras is considerable including massive water storage with 7 rainwater tanks, 6.6kw solar system, solar HWS, huge workshop / vehicle accommodation, fully enclosed upstairs area that could be finished as extra bedrooms, double colorbond shed, garden shed, landscaped gardens with rock wall features and a massive undercover outdoor verandah area. Don't judge this well-designed home that has all the finishing touches and attention to detail that most homes dream of, without inspecting it first - Lisa would love to give you a personal tour that is sure to impress.
