The crest of the Plateau is known for its spectacular ocean views, leafy level streets and as one of the most family-friendly spots on the peninsula; this contemporary split-level home adds further appeal to that prized location with an impressive layout that's perfectly zoned for an active family's lifestyle. The ocean views are framed by the main floor with its integrated, open plan design, while the rear of home features a spacious family room flowing via bifold doors to the sheltered terrace, expansive lawns and fully fenced gardens. Well-designed and immaculate, it's a ready made family home in an unbeatable Plateau setting.- Contemporary and beautifully designed with a split-level layout- Open plan living paired with a generous family room and home office- Expansive main floor opens to an ocean-facing entertaining terrace- CaesarStone island kitchen includes a 5-burner Fisher + Paykel range- Bifolds merge interiors to the rear terrace and fully fenced lawns + gardens- Master bedroom with ensuite and walk-in robe; bedrooms with BIR's and ceiling fans- Contemporary bathrooms, hardwood floors, A/C, plantation shutters- 10 minute level stroll to Bilgola Primary School and new IGA marketDisclaimer: Whilst all care has been taken to ensure accuracy in the preparation of the particulars herein, no warranty can be given, and interested parties must rely on their own enquiries.
