This charming lifestyle property offers you a chance to have the best of both worlds, living on your own little piece of paradise away from everyone and everything yet still close to our beautiful city if needed. On entry not only will you be impressed with the versatile floorplan that makes the home so easy to live in but the many features that are on offer, generous bedrooms, all with built-ins, new blackbutt hybrid flooring throughout, gorgeous kitchen complete with Caesar stone benchtops and splash backs and quality appliances. Walk through the concertina doors that open up to the undercover alfresco area, ideal for all seasons. Call for an inspection today!!
