Perfectly positioned for convenience to both Mortdale and Penshurst this wonderful family size home sits on a block of land approx 670 sqm with wide frontage just oozing with potential for future build - subject to councils approval of course. On the fringe of the McRaes Estate the very comfortable character filled property features a great extension providing a huge open family room and kitchen leading to the bbq deck with lovely green suburban outlook. Original high ornate ceilings and feature fireplace blend nicely with the extension. Depending on how you want to live there's a flexible floorplan providing options for 3 or 4 or bedrooms as well as a study and sunroom.
