Picture Perfect!

This is a gorgeous property that sits on one hectare of land at the end of a quiet cul-de-sac in popular Acton Park. Built in 2019, here you will get the best of both worlds: a large parcel of land to embellish as you wish, with a near new home ready to move in!

Enjoy the prestige of driving into your own grounds with turning circle to add to the flare. It is tranquil and serene, country living with modern appeal. On entering the property, you are welcomed into the spacious open living area with large lounge room, light filled dining area and chef's kitchen with butler's pantry.

A separate sitting room could easily be used a fifth bedroom, rumpus, or office. It offers the space to spread out and the convenience of versatility. There is a stylish family bathroom and separate toilet that services three double bedrooms, all with built-ins and an additional study nook. Bonus! The master suite includes a substantial walk-through wardrobe through to the light and modern ensuite with double vanity. It is lovely here, a place you will love to call home.

Outside, there is room to move, and opportunity in abundance. It is a beautiful property, ready for lucky owners to make it their own.
