Lowset and spacious, everyone has enough space to call their own! Walking in you'll be greeted by the wide hallway and plenty of natural light. The two front bedrooms provide some separation for the young adults or guests. A media room gives you a place to watch your Marvel Marathon, or a place for the kids to practice their Fortnite skills! Don't need this space? All it's needing is a wardrobe and you have yourself a 5th bedroom! The beautiful open Kitchen/Living/Dining will be the hub of your family. Getting school lunches together, sitting down for family dinner at the end of a week or curling up on the couch to watch some classic Disney films. All this is possible without sacrificing anything! Take your meals outside and enjoy Newport's breezy evenings. When the day is done your master bedroom beckons. A large walk-in robe has the space to promise no arguments about hanging space and a well-appointed ensuite complete your sanctuary! And the best part of all? Low maintenance means you'll have more time to enjoy your home and less time caring for it! There are plenty of reasons to buy this home today! Here are just a few of our favourites:- 4 Large bedrooms - 2 Bathrooms- Multiple split system Aircons to beat the QLD heat- Double lockup garage- Multiple living areas- Undercover entertaining area- Master suite with walk in robe & Ensuite- Low maintenance block- Convenient access to all of the Peninsula's amenities
