Escape the hustle and bustle of city life and immerse yourself in the serenity of this 4000m² allotment nestled in a picturesque rural setting. Established shade trees and meticulously maintained gardens create a peaceful haven you'll love to call home. Step inside your spacious 3-bedroom brick veneer home, where modern living meets countryside charm. The updated kitchen is a chef's delight, offering a delightful space to cook and create culinary wonders. Entertain guests in the inviting adjoining meals family room, or unwind in the comfort of your separate lounge. This home ensures you stay comfortable throughout the seasons comprising evaporative cooling and split system heating/cooling in the family room maintaining the ideal climate all year long. Experience the uniqueness of a self-contained guest/workers accommodation, ready to be your canvas for customization. This versatile space opens doors to various possibilities - use it to host guests, create a private studio, or embrace the potential for additional income through short-term rentals. Enjoy peace of mind with a generous 3 megs of rural water, storage tanks, and a pressure pump. Your gardens will flourish, and you'll have a reliable water supply for all your needs. This remarkable property offers a harmonious blend of rural beauty and modern comfort, creating a truly unique living experience. Don't miss this rare opportunity to own your rural oasis.
