Nestled in a beautiful setting at the base of the Strathbogie Ranges, this remarkable piece of country boasts a vast network of tracks and some incredible locations to build a home or just camp out under the stars. There's a nice cleared area at the peak of the property which boasts panoramic views and numerous other sheltered areas that would also make great home or camp sites. Water is plentiful with 3 dams, numerous springs and high annual rainfall. The land size (over 40ha) and farming zoning means there is minimal red tape to build a home and sheds, plus there is already power on site. Please do not attend this property without an agent. Send an enquiry and we will arrange to meet you on site with a little notice.
